Stiefel Brewer´s Yeast

Supports metabolism and digestion
High content of vitamin B and trace elements

Feed material for horses

Stiefel Brewer´s Yeast contains valuable vitamin B, minerals and amino acids based on natural substances, which may have a positive effect on digestion and metabolism of the horse and therefore improve the feed utilisation.

HINT! Stiefel Brewer´s Yeast is particularly suitable for feeding at the beginning of the grazing season and during a coat change.

Composition

Brewer´s yeast 100 %

Analytical components

Crude protein 46,00 %; Humidity 12,00 %

Feeding recommendation

Large horses (600 kg body weight) 30 -50 g / day

Small horses 10-20 g / day

(1 heaped measuring spoon = approx. 20 g)

HINT! Stiefel brewer´s yeast for support at the beginning of the grazing season and during the change of coat.
