

## Data sheet

Version: 08.02.2022

### Stiefel Hoof Hardener

For strong and healthy hooves  
With liverwort extract

#### Quality care for horses

Stiefel Hoof Hardener can strengthen the horse's hoof horn and make it more resilient due to the liverwort extract it contains. In the case of unshod horses, abrasion can even be reduced. For an optimal effect, daily use is recommended. The first results can usually be seen after a few days.

#### Contents according to INCI:

Aqua; Maris Sal; Alcohol Denat.; Citrit Acid; Panthenol; Propylene Glycol; Glycerin; Sodium Benzoate; Sodium Salicylate; Caprylyl/Decyl Glucoside; Coco-Glucoside; Potassium Sorbate; Ricciocarpus natans; Laurylamine; Dipropylenediamine; Methylisothiazolinone; Benzisothiazolinone; CI 42090

#### Application:

Spray underside of hoof from the bottom and sides. Allow to take effect. The horse should ideally stand on a dry surface. Suitable for daily use.

#### Storage note:

Only for external use. Store care products in a cool and dry place protected from direct sunlight. Store out of reach of children.

#### Packaging:

Art. ST009480                      200 ml
