Stiefel Linseed Granulate

For healthy digestion

With natural, digestion-supporting mucilage

Feed material for horses

Stiefel Linseed Granulate is a ready-to-feed linseed cake, the oil content of which has been gently reduced by cold pressing. This means that Stiefel Linseed Granulate is very easy to digest. Due to the high proportion of mucilage, Stiefel Linseed Granulate can have a positive effect on the horse's digestive system. Stiefel Linseed Granulate can also be fed to support the change of coat.
