Stiefel Milk Thistle Oil

For the liver, skin and coat
100 % natural oil

Feed material for horses

Stiefel Milk Thistle Oil is a 100 % natural oil that contains the active ingredient silymarin. Silymarin can stimulate liver cell regeneration and thus promote the flushing out of metabolic waste products. The oil can also have a positive effect on the horse's skin and coat.

Composition

Milk thistle oil 100 %

Analytical components

Crude oils and fats 99.50 %

Feeding recommendation

Large horses (600 kg body weight)	50 - 150 ml / day
Small horses	25 - 75 ml / day

Feeding only for short periods!

Storage note

Store feed in a cool, dry place away from direct sunlight. Use soon after opening.
Store out of reach of children.

ADMR: ADMR 48 hours according to FN (version from: 07.07.21)
