Stiefel Mussel Powder

For joints, sinews and cartilage
100% New Zealand green-lipped mussel

Feed material for horses

Stiefel Mussel Powder consists of 100% pure powder of the New Zealand green-lipped mussel. Green-lipped mussel powder can have a positive effect on the musculoskeletal system because it contains glycosaminoglycans and polyunsaturated fatty acids that are important for the connective tissue. By feeding Stiefel Mussel Powder the musculoskeletal system can be supported and a healthy movement can be promoted.

Composition

Extract of mussel meat 100 %; Glycosaminoglycans > 2.00 %

Analytical components

Crude protein 53.00 %

Feeding recommendation

Large horses (600 kg body weight)	5 g / day
Small horses	2.5 g / day

(1 heaped tablespoon = approx. 5 g)

The product should not be fed on its own where possible. It is recommended to start with small amounts and gradually increase the dose to improve acceptance. The daily dose can be divided over 2 rations.

Storage note

Store feed in a cool, dry place away from direct sunlight. Use soon after opening. Store out of reach of small children.
