Stiefel Frog Care

Prevents frog problems
With liverwort extract

Quality care for horses

Stiefel Frog Care can be used to prevent frog problems. Stiefel Frog Care can protect, care for and regenerate the frog, sole and white line. The valuable ingredients can repair fine cracks and support the regeneration of defective areas.

Contents according to INCI:

Aqua; Alcohol Denat.; Citric Acid; Panthenol; Glycerin; Propylene Glycol; Peg-40 Hydrogenated Castor Oil; Sodium Benzoate; Lavandula Angustifolia Herb Oil; Sodium Salicylate; Linalool; Caprylyl/Decyl Glucosid; Coco-Glucoside; Potassium Sorbate; Ricciocarpus Natans; Laurylamine Dipropylenediamine; Methylisothiazolinone; Benzisothiazolinone; CI 42090

Application:

Spray on the inside of the hoof (frog, sole and white line) and allow to take effect before releasing the hoof. The horse should ideally stand on a dry surface. Suitable for daily use.

Storage note:

Only for external use. Store care products in a cool and dry place protected from direct sunlight. Store out of reach of children. Product contains Linalyl-acetate, Linalool. May cause allergic reactions.

Packaging:

Art. ST009470 200 ml
